MasterCraft is a boat manufacturer of high performance luxury yachts and is headquartered in Vonore, Tennessee. It was founded in 1968 when it built its first ski boat in a two-stall horse barn on a farm in Maryville, Tennessee. Since MasterCraft builders were unhappy with the big wakes and pull of other ski boats, they constructed a hull that had the slightest wake up in the industry. In its first year of operation, MasterCraft built only twelve boats and the boat design became so revolutionary that the company began to receive a continuous order for its boats and thus mastercraft was recognized as a major force in the tournament's ski boat market. MasterCraft produces thousands of tournament skis, wakeboarding, luxury and performance boats annually to keep up with consumer demand. MasterCraft's XStar won the National Marine Manufacturers Association 2018 Innovation Award for the tow boat category. MasterCraft has a single manufacturing facility located in Vonore, Tennessee, where the dedicated MasterCraftsmen descend on Lake Tellico every morning to hand-build the world's best boats. MasterCraft engineers take care of the consumer's needs and develop new ideas and also blend humanity with technology to produce the next generation of MasterCraft boats. This constant assessment and attention to the customer has made the soul of the company more suited to riders and skiers needs with each passing year. MasterCraft boat company is devoted and dedicated to improving the boating experience of customers. Right from delivering innovations that improve enjoyment on the water, to offering products that encourage rapid development of skills, MasterCraft is committed to creating memories that last a lifetime. takes advantage of a one product development process to ensure the introduction of as relevant products as possible, year after year.
